

# QUICK FACTS ABOUT ADVENTURE TREKS

#### **OUR MISSION**

To create the safest, most exciting, and most substantive outdoor summer adventures through our personal attention, our caring, and our competence.

#### **WHO WE SERVE**

Teenagers 13-18 (7th-12th grades), adults 21+, and families!

## **OUR GOALS FOR STUDENT TRIPS**

Our students will have the most fun summer of their lives, experience meaningful personal growth, be a vital member in a close-knit community of peers, further their love of the outdoors, and develop valuable life skills and greater sense of self.

#### **OUR GOALS FOR FAMILY CAMP**

We give families the opportunity to build stronger bonds through adventure and challenges, discover new interests, and unplug and enjoy nature together.

### **OUR GOALS FOR ADULT TRIPS**

Adults on our Peru trip (more locations coming in 2026!) will have the much-needed opportunity to unplug, explore remarkable scenery among a new culture, and reconnect to nature and new friends.

#### **OUR LOCATIONS**

Washington, Oregon, Wyoming, Idaho, California, Colorado, British Columbia, Alaska, North Carolina, Peru, Scotland, and Norway. More destinations coming in 2026!

#### **OUR ACTIVITIES**

Hiking and backpacking, camping, rock climbing, whitewater rafting and kayaking, ice climbing, canoeing, sea kayaking, inflatable kayaking, mountaineering, and mountain biking. Our Leadership Summit students become certified wilderness first responders, and our international and adult trips get to experience uniquely cultural activities like chocolate making and exploring local markets!

### **GROUP SIZES**

We can accommodate student groups of up to 20-24, and we always maintain a 4:1 ratio of student to staff. Our international, adult, and family trips will have a maximum of 12 participants.

#### LODGING

All student trips in the US will tent camp throughout their trips. International and family trips will experience a mix of camping and mountain cabins. Adult trips will enjoy 3- and 4-star luxury lodging.
